

# SPECIAL GRANNIES

## Fill in a mind-map about special grannies

You will need to copy the following mind-map onto a sheet of paper. Then have your child write all the things he/she knows and loves about grannies on the mind-map, e.g. What they do for you, why you love them, how they look, where they live, what they cook etc.

## Write a few sentences about your granny.

Talk about your child's granny and together write a few sentences about her.
